

you need:

- two 1-6 or 0-9 dice

# Numbers in Boxes

	Odd	Even
Any number		
40 or more		
39 or less		

## How to play

Roll the dice and use the numbers to make a two-digit number.

Look at the grid and decide which box that number belongs in.

Write the number in the box.

Go on until each box has got at least 3 numbers in it.
