Odd and even puzzle

1. These are all odd numbers.	1	9 	7	5	
And these are all even.	2	8	6		
How many odd numbers are there below 100? And how many even?					
2. On Planet Zog, these are 1 Zodd numbers.	5	4	8	7	2
And these are Zeven. 3		9	6		
Use squared paper to work out some more Zodd numbers, and some more Zeven ones.					
3. How many Zodd numbers are there below 100? And how many Zeven ones	?
