

# Addition grids

- Add the numbers in each row and write the answers in the circles.
- Add the numbers in each column and write the answers in the triangles.
- Now add the numbers in the circles and write the answer in the grey box.
- Then add the numbers in the triangles. This should be the same number as you have written in the grey box. If not, check your work!

8	5	13
3	7	10
11	12	23

9	3	○
6	8	○
△	△	

12	7	○
4	15	○
△	△	

17	10	○
14	21	○
△	△	

32	21	○
24	12	○
△	△	

27	18	○
16	35	○
△	△	

Now try this!

26		41
		○
△	34	92
