

you need:

- counters in two colours
- 1-6 dice

Shapes for 2 players

When it's your turn

Roll the dice and say the number.

Choose a stick with that number on and colour it in. If there is no stick with that number, roll again.

If you finish off a shape, you have won it. Put a counter there.

The end of the game

When somebody has won three shapes, they win the game.
