

you need:

- A4 or A5 scrap paper
- scissors

Scissors game for 2 players

When it's your turn

Fold a piece of paper twice any way you like.

Make two straight cuts into the fold.

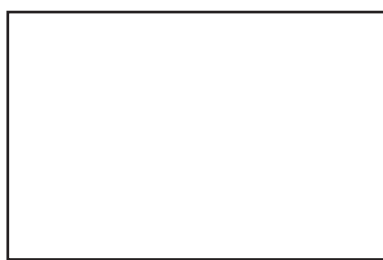

Open out the paper.

If the shape is symmetrical, you score one point.

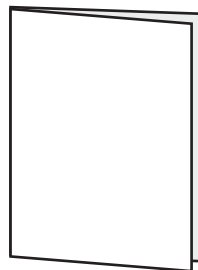

If it has more than eight sides, you score another point.

The end of the game

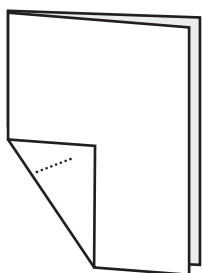

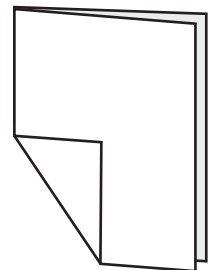

Go on until you both have 10 points.

Sample turn

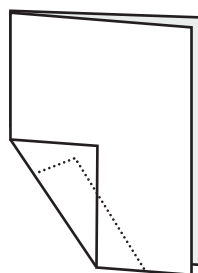

fold 1 →

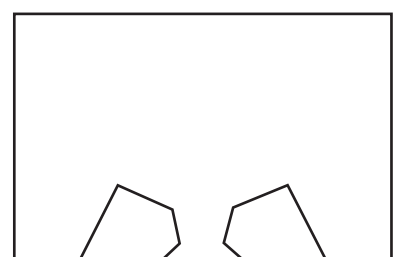

fold 2 →

cut 1

cut 2

open it out

This shape is symmetrical. Score: 1 point.

It has more than eight sides. Score: 1 point.

Total score: 2 points.
