

**you need:**

- 20 pennies
- 1–3 dice

# Handfuls of pennies

 for 2 players**First of all**

Decide which hand you want, the one with the watch or the one with the bracelet.

**When it's your turn**

Roll the dice and say the number.

Count out that many pennies and put them on your 'hand'.

**The end of the game**

When the pennies run out, the game is over.

Whose hand has most pennies? They win.
