

you need:

- 2 counters or small cubes
- 5 prizes
- dice showing 5 mins/10mins/15 mins (adapt an ordinary dice)

Minutes

 for 2 players**First of all**

Put your counters on 12.

When it's your turn

Roll the dice and say the number of minutes.

Move your counter clockwise that many minutes. (Remember, from one number to the next is 5 minutes).

The rest of the game

Each time you land on, or pass, 12 you win a prize.

The first person to collect 3 prizes wins the game.
