

**you need:**

- a handful of flat shapes

# Sorting

 for 2 players

red shapes

straight sides

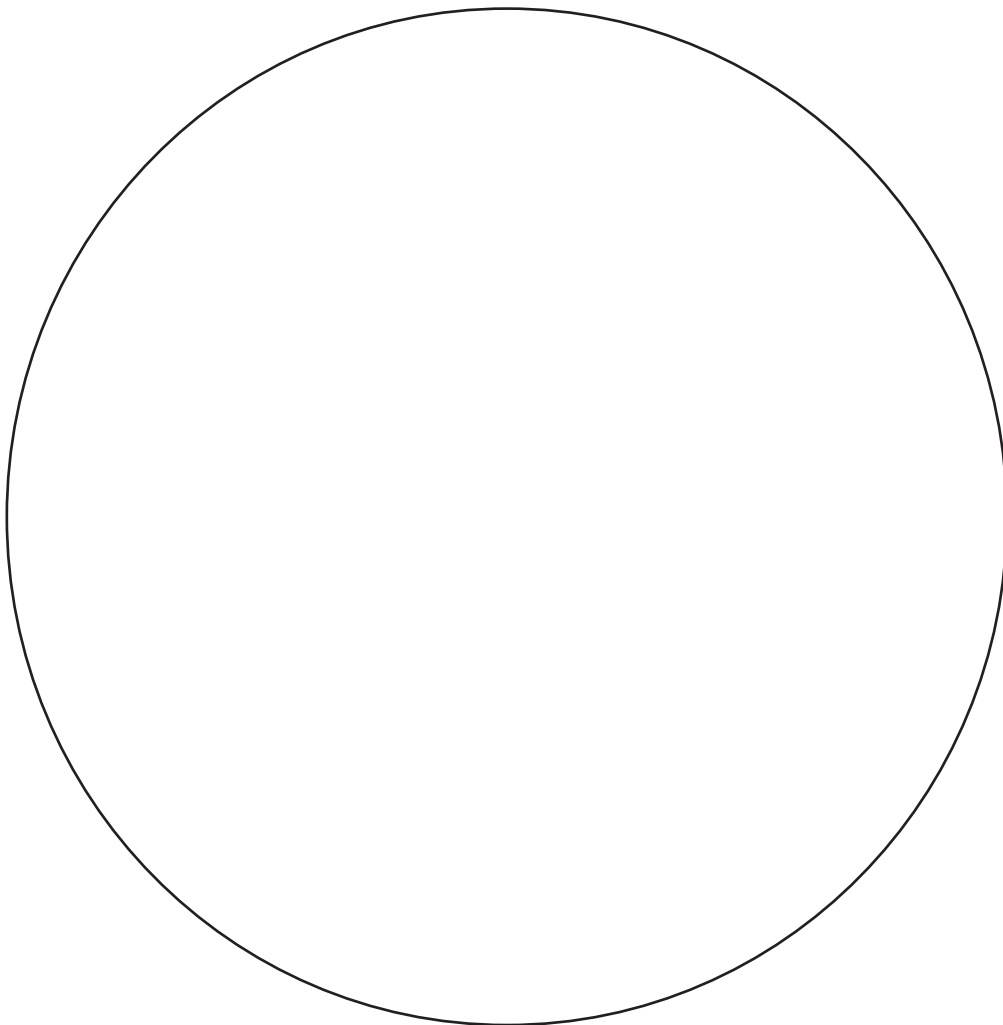

squares

more than 3 sides

curved shapes

circles

more than 2 sides

**When it's your turn**

Choose one of the labels in secret.

Put all the shapes that belong with that label in the circle.

Leave the other shapes outside the circle.

Ask your friend: "Can you guess which label I chose?"
