

# Sorting numerals

 for 2 players**When it is your turn**

Draw a ring around one of the numbers below. Neither of you can use that number again.

Say the number and tell your partner which box to write it in.

**The end of the game**

Go on until all the numbers are used up. Do you both agree that the numbers are in the correct boxes?

1      2      3      4      5      6      7      8      9      10      11      12

**Straight lines****Straight and  
curved lines****Curved lines**
