

Number flag

What to do

2 3
4 5
9 10

Some of the numbers in the grid below can be made by multiplying together two numbers from the list above. And some can't.

Colour in all the triangles with numbers that can be made this way.

One is done for you.

$$2 \times 10 = 20$$

90 20	11 8	7 27	12 18
19 36	6 23	10 13	1 12
18 14	21 20	17 40	45 100
36 6	15 33	20 32	50 30
