

Make 10 Circles

Focus of game: Make 10 facts

Players need:

- 4 counters each
- Dice 1–6
- Row of 'Make 10' circles

Playing the game

- Players take turns to roll the dice.
- If the number thrown can be added to any one of the numbers in the circles to make 10, cover that circle with a counter.
- First player to cover up all of their circles is the winner.

Variation

Use a 0–10 dice and the Make 10 (0-10) circles
