

Design an Easter Egg Comprehension Activity Sheet

Read the instructions and finish the Easter egg.

- Draw a ribbon around the middle of the egg. The ribbon should be running horizontally.
- Draw spots on the ribbon. Colour half of the spots green and half of them yellow.
- Colour the rest of the ribbon in a colour that begins with a 'b'.
- There are strips running down the top half of the egg in a vertical direction. They follow a purple-pink pattern. Draw them and colour them in.
- On the bottom of the egg there is a bunny rabbit. He is holding a brown basket with flowers in it. He has a red bonnet on his head. Draw this on the egg and colour in.
- Draw a smaller egg, lying on its side, to the right of the big egg you have already designed.
- Draw a pattern on this egg that you have come up with by yourself. Colour it in.
- Compare your egg to your friend's one. Do they look the same or are they different?
